DISCOVER FREESTYLE CRUISING™

Set sail with exclusive cruise savings from NCL and NCL America. And as a union member, you'll enjoy a minimum 5% discount off any published cruise fare. You can even apply this discount on top of other discounts!

Vacationing has never been easier or more affordable on an NCL or NCL America cruise.

All accommodations, entertainment and meals are included in the cost, so you'll enjoy peace of mind knowing that your vacation will fit into any budget.

And only NCL and NCL America offer you all the benefits of *Freestyle Cruising*™. Designed to offer you maximum freedom and flexibility on your cruise vacation, *Freestyle Cruising* allows you to choose from up to 10 unique restaurants, as many as 13 bars & lounges, and an ocean of amenities, options and activities. With *Freestyle Cruising*, even the dress code is flexible – you won't have to get any dressier than resort casual throughout your cruise.

A WORLD OF CHOICES

There's a whole world of destinations to choose from. Set sail with NCL America, and island-hop throughout Hawai'i. Explore all four main Hawai'i islands and celebrate the spirit of America aboard *Pride of Aloha* or the dazzling new *Pride of America*, the first brand-new U.S.-flagged cruise ship in half a century.

Or take an NCL cruise to destinations like Bermuda, the Caribbean, Alaska, South America and Europe.

With so much to offer, there's a cruise for everyone, from just about anywhere. If you don't live near one of our 12 home ports across the U.S. and Canada, we can help you book airfare, along with your choice of hotels for pre- and post-cruise stays.

UNION PRIDE

When you cruise with NCL America, you'll also support your fellow union members.

In fact, NCL America operates the only cruise ships employing U.S. unionized workers: *Pride of America* and *Pride of Aloha*. And in 2006, NCL America will launch a third U.S.-flagged, union-crewed ship in Hawai'i, *Pride of Hawai'i*.

Shipboard personnel are represented by Seafarers International Union (SIU), Marine Engineers (MEBA) and Seafarers Entertainment (SEATU) unions. More than 800 union members are employed on *Pride of America* alone.

So come discover *Freestyle Cruising*. No matter what destination you choose, you'll enjoy an exclusive union-member discount and an unprecedented world of choices at sea.
